

**To make your event the best possible success, you need fast and accurate times for everyone. Utilising the latest generation of electronic timing systems and over 10 years experience, Times-7 Sport delivers a memorable time for everyone.**

### EVERYONE'S A WINNER

We make your events a richer experience for participants, spectators, race officials, announcers, sponsors and the media. Event promoters and race directors are assured of results from an experienced team using next generation timing systems. Times-7 Sport gives you real-time splits, progress reporting and results – and in a format suitable to you.

Race entry registration is easy for participants with our simple web-based online entry. We can also help you set-up a website to promote the event and communicate race day progress and results.

Times-7 Sport delivers for club events through to world championship competitions using manual or electronic timing.

With many years of experience and a track record of reliability second to none, the timing professionals at Times-7 Sport provide competitive event timing using the latest in electronic timing systems.
